

BrainNet

People Creating Connected Solutions

BrainNet is one of the leading international brands for supply chain management consultancy. Employing 235 members of staff, BrainNet turns over €36 million globally. BrainNet develops and realizes tailored solutions for more than 80 of the companies listed in the Global Fortune-500 and around 240 fast growing SMEs.

Through its close collaboration with the Supply Chain Management Institute (SMI) at the European Business School (EBS), BrainNet offers a totally unique value-creation chain ranging from research and training young talent at leading business schools to implementing consultancy projects and strategic qualification of top managers and supply chain managers.

To extend our business in Poland, we are looking to recruit in the near future a:

Senior Consultant (m/f)

Your main responsibilities:

- Analysis and expert evaluation of procurement volumes and processes
- Producing analytically-based, practice-driven procurement concepts
- Carrying out cost-optimization projects, mainly in Germany and Poland
- Providing support during acquisitions in Poland
- Providing team leadership for internationally-staffed teams

Your profile:

- Excellent academic record in business/economics/engineering, ideally with a major in procurement/ materials management
- Several years professional experience in a well-known company or in consulting
- Confident in developing and implementing procurement strategies
- Sound knowledge of procurement management, sourcing and procurement controlling
- Excellent knowledge of MS-Office
- Language skills: Polish (native), German and English (both fluently)

We are looking for an analytical thinker who is highly committed and able to remain goal-oriented even under pressure. If you are customer-oriented and self-confident and have excellent interpersonal skills then we would be glad to hear from you.

Please e-mail your CV and your educational certificates/ references to application@brainnet.com.
